

## About Us

Because each of our workshops are geared at training your leaders and/or congregation in fulfilling their purpose in the kingdom of God we tailor them to fit your congregation's needs. Some workshops include a gift assessment that will help confirm your leaders God-given gifts.

Equipping Ministries **does not charge a fee** to offer its workshops/seminars. It is actually our preference to do *On-Site Training* because it eliminates many of our expenses, such as advertising and hotel rental. More importantly, on-site training allows us to touch a group of leaders from the same church, which promotes a more cohesive and effective training for the attendees.

Attendees *are* required to prepay \$7.00 each to help offset the cost of the workbook and handouts. Equipping Ministries does expect to receive an honorarium (love offering) for the training; also traveling and hotel expense (only when applicable). Because our workshops are very interactive, each workshop must have a minimum of 20 attendees to allow for an effective training experience, unless it is a staff training workshop.

The sponsor (*church*) itself can charge a reasonable registration fee for the training, if it so desires. That is solely up to the sponsor.

A light lunch should be available on-site for the attendees. Some have various members to fix dishes and bring it in. Continental breakfast and/or coffee throughout the day is also desirable to some attendees.

We are confident that your church and church leaders will not be the same! So call or e-mail us today to set up your on-site training with Equipping Ministries.

# Workshops

*Equipping Ministries* offers the following on-site training workshops for churches.

**Soaring as a Leader** - *Soaring as a Leader* is workshop geared at equipping your church leaders to be the leaders God has called them to be. It is a training workshop that will take them to the next level in their leadership because your ministry cannot rise above your leaders ability to lead.

So often people are put into positions because of their faithfulness but we neglect to train and equip them to carry out the responsibilities. This leads to discouragement, discontentment and frustration and often a job not done. *Soaring as a Leader* will help you move from just having the position (*title*) to knowing how to shoulder the responsibility. Some of the topics it will cover are: Faithfulness vs. Calling; Recruiting and Keeping Volunteers; Assuming too Much; Bringing Out the Best in People; Standing in Your Place; Knowing How and When to Delegate; Overcoming Fear; and more. *This workshop is available in either a one-day or two-day version..*

**Called Along Side (Being an Armor Bearer to Your Pastor)** - One of our most requested workshops.

Pastors have such an awesome responsibility. Hebrews 13:17 tells us that they are called to watch over our souls and Jeremiah tells us that they are to feed us with knowledge and understanding. But do we make their jobs grievous or joyous? *Called Along Side* is a workshop for all those who want to help lighten the load of their pastor.

This one-day workshop addresses every major department in your church and it arms them with a wealth of knowledge as to their responsibility as your armor bearer. After this workshop, your members will be inspired and full of valuable ideas and practical ways to help strengthen your hands. Some of the topics covered are: What is an Armor Bearer; Being Sensitive to the Holy Spirit; Understanding the Purpose of Ushers; Understanding the Purpose of the Choir; Avoiding the Haman Spirit; Avoiding the Absalom Spirit; and more!

**Unlocking the Gifts Within** - You know God has something for you to do but you're not sure what it is or how to pursue it. This one-day workshop will assist you in fulfilling your purpose. You will receive valuable ministering on how not only to tap in but to unlock the gifts that have been lying dormant and screaming to be released! A gift assessment test will be given to help guide you in the direction that God is calling you to.

**Becoming One (Teambuilding Within the Church)** - It is often said "one man armies never win battles." Regardless how anointed or gifted an individual is, throughout the bible we are reminded that we are many members but one body and God calls us to unity. No matter how great the vision, a lack of unity can hamper, if not abort the vision. It is sad to say, but many churches have an awesome vision but because of members not knowing how to flow together they are not able to reach their fullest potential.. "*Becoming One - Team Building Within the Church*", is a one-day workshop geared at equipping your church members to become one so that they flow together in the same mind and in the same judgment. Some of the topics covered are: Choosing the Team, Communicating the Vision, Handling Change, Finding Your Place; Submission to Authority; I Am My Brother's Keeper and more. *Available in a one day or two-day version.*

**Getting the Spirit of Your Leader** I Samuel 10:26 reads "And Saul also went home to Gibeah; and there went with him a band of men, whose hearts God had touched." Immediately after being placed into the position of king, God surrounded Saul with men to help uplift him, watch his back, and to help protect the kingdom. However, at the same time the children of Belial asked "How shall this man save us? And they despised him, and brought him no presents. But he (Saul) held his peace" 1 Samuel 10:27. *Do you have the spirit of your leader or the spirit of the children of Belial? Available as a one day workshop.*

**Stopping The Dream Killers** *Dream Killers* affect not only our individual dreams but the corporate vision of churches. Do you have a low volunteer ratio and/or high absenteeism among those you assign positions to in your church? So often it is because of the Dream Killers discouraging the people and hindering them from moving forward so they can achieve their purpose.

This power-packed one-day workshop unveils the following *Dream Killers*: Toxic Relationships, Fear, Pride, Slothfulness, Ungodly Counsel, Holding on to the Past, Lack of Preparation, Unwillingness to Take Risks, Not Growing Where You Are Planted, Disobedience, Jealousy, and more!

Your church will not be the same after this eye-opening workshop.

**Walking Worthy of Your Calling**

A one-day workshop geared at helping equip your ministerial staff and other church leaders to rise to the level of excellence and effectiveness that God has called them to. This purpose-driven workshop will minister to your choir directors, musicians, ministers, deacons and all those in leadership roles. It will cover topics such as: Understanding the Call, Being Free to Minister, Knowing the Voice God, Flowing in Your Ministry, No More Excuses, Merchandising the Anointing and more!

**The Effective Church Administrator** - Church Administration is a ministry centered on people, not techniques and paperwork. It is an art of management, not manipulation. It requires a faith in God, sensitivity, integrity, timing and intuition. In this seminar you will learn how to:

Run a church office more effectively; Effectively manage other church employees; Deal with difficult members; Organize your church calendar for maximum participation; Say no without feeling guilty, maximize your time and more. *Note: A set fee is charged for this hands-on workshop because it is a business training session.*
