ARE YOU READY TO SOAR?

Don't miss this one-day workshop that will propel you to reach for your maximum potential as a leader.

Soaring as a Leader is workshop geared at equipping you to be the leader that God has called you to be. It is not a preaching session but a training workshop that will take you to the next level in your leadership because your ministry cannot rise above your ability to lead.

So often people are put into positions because of their faithfulness but we neglect to train and equip them to carry out the responsibilities. This leads to discouragement, discontentment and frustration and often a job not done. *Soaring as Leader* will help you move from just having the position (*title*) to knowing how to shoulder the responsibility.

Each attendee will receive a follow-along workbook and a light lunch will be served.

Trainer:

Elder Pamela R. Smith

A woman with a vision and zeal to do the will of God. She has ministered at numerous seminars, workshops and church services. She is a dynamic communicator who is noted for her ability to inspire and challenge others. She and her husband Kenny oversee Equipping Ministries, a training ministry for churches and individuals. They are members of Christ Centered Church Goldsboro, NC under the awesome leadership of Apostles Dennis and Ravonda Jacobs.

About Equipping Ministries

Recognizing the awesome responsibility that pastors have to feed and lead God's people, God has given *Equipping Ministries* a burden to train Christians to do the work of the ministry and to be armor bearers to their pastor.

Vision: To become a national and international training center for churches. Through God's grace, we will strengthen and empower churches to go forth with the vision God has given them because "from Him the whole Body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work." Eph. 4:16.

Mission Statement: Through seminars, workshops and plays we will equip God's people to tap into their purpose so that they can reach their highest calling.
